Province of Kuban Where the Stricken Towns Lie is in Southern Russia

By Bulletin Leased Wire. EKATIBULIN, Russia, March 15.—A thousand or more persons perished today in the inundation of the towns of Stanitsa and Andrushevka by a tidal wave from the sea of Azov. The wave struck the towns during a violent hurricane which swept the province of Kuban.

Over one hundred and fifty persons also were drowned in floods in Yankovsk.

A dam collapsed in the town of Temryuk, situated on the Tuman Peninsula, 95 miles northwest of this city, flooding the greater part of the city and drowning many persons. The sea washed over and destroyed many of the houses and buildings of Andrushevka. Temryuk is a small town with a population of 15,000. It once was the site of the Turkish fortress, Adas.

SPANIARDS IMPORTED TO WORK UPON CANAL.

Toronto Labor Leaders Complain That Contractors Are Breaking Fair Wage Law

TOLENTINO, March 15.—Local labor leaders have interested themselves in the alleged wholesale importation of Spaniards into Canada to work on the canal, especially at the locks of the canal, and the minister of labor, Hon. T. W. Crothers, has promised to take steps to investigate the charges. It is said that four hundred Spaniards arrived in New York yesterday bound for Port Welland, Ont., to work on section No. 2 of the Welland Canal for the English contractor, Haldry, Yerkes & Hutchinson.

The minister has told labor officials that this is a breach of the fair wage clause in the act.

All Belling Stock of Railway is Being Used to Forward Troops

By Bulletin Leased Wire. HOUSTON, Tex., March 15.—A general forward movement of both the Mexican federal and rebel armies at Torreon was begun early today, preliminary to the opening of the long-deferred battle for the possession of the city, according to a Chihuahua, Mex., despatch tonight to the Houston Post.

In the first skirmishes, the Constitutionists, it is said, were put to flight, but in later minor engagements the rebel troops were reported victorious.

Orders were given by General Francisco Villa for the advance of his troops late last night. His advance was hastened by the interception of a message from President Huerta at Mexico City, to General Refugio Velasco, commanding the federal garrison at Torreon.

A special train has been started for Torreon, and General Felipe Angeles, secretary of war in the cabinet of General Carranza to Chihuahua, has taken the offensive against the Constitutionists.

Ex-Alderman J. E. Lundy Secures 50 Mile River Drive for Edmonton

Has Been Working on Project For the Past Three Years—Land is Being Secured Without One Cent of Cost to City—Map Showing Entire Drive Has Been Forwarded to the Commissioners

Working practically alone for the last three years, former Alderman John E. Lundy has now secured the city right-of-way for fifty miles of scenic river drive, with the exception of about half a mile on the north side of the river, and a quarter of a mile east and south of the city.

The question of securing a beautiful river drive has been mentioned in the city council on and off for several years past. It was in 1911 that Mr. Lundy first began to consider the project in earnest. Since then, as he himself admits, it has become almost a hobby with him.

# EX-ALDERMAN LUNDY SECURES RIVER DRIVE

(Continued From Page One)

registered at an early date as possible, as while the river is in flood the present owners of all adjacent lands, which might make it awkward to have plans laid later on.

Constructing roads was to have been the first thing in the hands of the city council, but later it was deemed advisable to carry it down the river on both sides as well as on the river side. My intention also was to have the city council bring down an appropriation every year for the construction of three or five miles of roadway, and in that way it would not take long to have the drive completed. I may say in conclusion that so far this drive has not cost the city of Edmonton one cent.

Mr. Lundy has forwarded to Commissioner Harrison plans showing the entire survey of the drive. This map shows the exact location of the Country Club grounds, the city farms, through which the drive passes, and other points of interest. Further, in one or two points east of the river, where the river flows are not yet surveyed and no agreement has been signed, the provincial government has announced that it will not accept any survey plans along the river without provision being made for the continuation of the river as the city is amply protected in this way.

**Provincial Government Work.** The map also shows that a portion of the roadway on the east side of the river from the southeast corner of Division to the river, has been graded by the provincial government. It is expected that the city of Edmonton, Sec. 9, Tp. 12, R. 25, has not yet been signed by W. J. D. Lundy, who controls it, but it is not likely that any difficulty will be met in getting Mr. Marshall to give the portion of the city. In view of the arrangements have been made to give the city a portion of the city, if any difficulty is met in securing the right-of-way.

Mr. Gardner, of Capital Hill, is prepared to give the city small pieces of park land between the river and the river bank, provided the city will build a bridge across one of the ravines in this section. As the estimated cost of the bridge is \$12,000, and the value of the lands to be given is about the same, it would be an even trade.

## Edmonton's Premier Showing of Women's Novelty Suits and Coats for Spring

The suits this season are so decidedly different that every woman must have a new suit to be in fashion. Of course, tailored suits are correct, they always are, but even the tailored suits are different. The fancy suits, however, are so novel and quaint as to arrest the attention of even more men. Women are enthusiastic about them. Some of the most striking suits are cut high in the front; many have velvet and the novelty skirts suggest the bustle effect and have extremely full hips. There are all sorts of elegant new pieces of wool and silk. Our suits range in price from \$10.00 to \$45.00.

Shimmering silks, rustling moires as well as broadened woollen fabrics and all sorts of plaids—also checked and striped woolsens of various weaves—they all help to make the 1914 season different, more elegant and more charming. The ruffles and flounces and cape shoulders that our so prominent take us back to our great grandmother's time, yes, and even away back to Colonial days—and yet there is a modernity about every garment that is striking. With all their suggestions of a hundred years ago they are decidedly modern. Our coats range from \$10.00 to \$45.00.

## Ramsey Furniture will Stand the Test of Years

Buying furniture should have the careful thought of the purchaser. Shoes and clothing and many other lines of merchandise one expects to wear out and replace within a few months. But furniture becomes a permanent part of the home. It should therefore be selected with the view of lending an atmosphere of substantial comfort and permanence in addition to being ornamental and useful.

In buying furniture you must, in a large measure, depend upon the integrity of the firm you deal with, for furniture, like furs, is often deceived up to appear what it is not. You really do not know positively what you bought for months and sometimes years after you have the articles in your home. Good furniture should stand years and years of reasonable wear. We guarantee that our furniture will last and look well because we do not buy anything about the character of which there is the slightest doubt, and if ever by mistake an imperfect article should leave our store we will make an adjustment that will be entirely satisfactory to you. Moreover, Ramsey prices are the lowest that good goods can be sold for. We show four big floors full of samples in our furniture store at 11 Jasper Avenue East.

# Spring Newness Everywhere

How About the Interior of Your Home?

## Special Showing of Curtains

We are now showing in our Curtain Department a large range of latest Window Draperies and would be glad to show you through these goods. Below are a few of the prevailing styles for this season.

Plain Fine Voile Curtains, all made up ready for use, with pretty lace borders and inscriptions, and some have the hem-stitch border. These are most effective for a nice light window and come in shades of white and

ivory; 25c a yard long. Per pair, ..... **1.75 to 2.50**

We would call your attention to a new curtain with handsome border, copied from the real French Fillet Lace and finished on the edges with lace edging to correspond. In soft shades of ivory and Arab.

Priced at, ..... **\$4.00, 5.00 and 7.00**

Our beautiful range of Curtain Scrims are the best yet. These will values that fringe and fall in such nice folds, and have the distinct of colored borders that blend so nicely with the Cretonnes and Taffetas so much in vogue at the present time.

For a little money your windows can now be made to look most artistic as these can be had from 25c up to 50c per yard.

Curtain Rods of all kinds and Window Shades and Window Pittings. Floor coverings of all descriptions—Carpets and Rugs in great variety.

Beautiful and artistic is our new range of Washing Drapery Goods. This section is now filled with the latest materials for window draperies and furniture coverings in combinations to harmonize with any decorative scheme.

Where simplicity is the keynote in the decoration of a bedroom, we recommend Chintz—the delightful old world styles are most attractive, being a fine reproduction of the old English black printed goods. The colors being permanent, make this a desirable fabric for bed dressings, house covers for furniture, laundry bags, and many other bedroom accessories.

These goods are 35 inches wide, and are 35c to 50c per yard.

## Venetian Tapestry

For dining-rooms or any rooms where a darker color is required, we would recommend the Venetian Tapestry, this cloth being of a fairly heavy and generally rough texture and being printed in a heavy all-over tapestry design, produces rich effects in a combination foliage and floral pattern in dark backgrounds. One of the advantages of the use of this fabric is that the cloth is not so heavy as to seem cumbersome when used in hangings. This material can be used in making window draperies and cushion and furniture coverings; in colorings of greens and reds, and greens and browns, on natural color grounds. Width 35 inches.

Price, ..... **75c**

Well recommended for its good washing qualities.

The Shadow Cretonne is a very desirable cloth for bed dressings, window and door curtains, dresser scarfs, lamp and candle shades, screen covers for shirtwaist boxes, house covers for furniture and many of the accessories used in a bedroom may be fashioned from this beautiful fabric.

The colors are the best yet—Produced to withstand the washing and sunlight. In beauty of design and harmony of colors it is not surpassed by the more expensive materials.

The colorings are pink roses with delicate shadings of green, blue and brown on light cream grounds. It is only by seeing these beautiful goods that you can form any idea of their distinctive character. These also come in 35-inch width, and are priced at 35c and 60c per yard.

Linoleums are all laid down free of charge—Prices are from 35c per square yard up.

## Wall Paper of Unusual Design

A large range of Wall Papers to harmonize with the light-ground cretonnes, in the chintz colorings. These come in soft shades of pinks, blues and golden browns, and are all light grounds and borders to match. To carry out the present-day style of decoration this range of goods will be found most attractive. These papers are priced at 35c a roll, and border to match at 25c and 30c a yard.

When looking at drapery fabrics, ask to see the new Papers in the Curtain Showroom—Third Floor.

Linoleums are all laid down free of charge—Prices are from 35c per square yard up.

## SOCIETY WOMEN TAKE GAMBLING CASE TO COURT

London, March 10.—A case revealing the prevalence of gambling among many women of the west end of London came before the Westminster County Court today, when Miss Ethel Clinton, formerly an actress, was summoned to answer charges of having been a party to a gambling game.

When the proceedings were initiated, Miss Clinton was asked to state that it was a gambling game.

She said she had lost 15 pounds on that occasion and admitted she had received a loan of 50 pounds. It was alleged that the play was still going on.

She said she did not think the game was being played except as it is used to have been, and that one man was everything at her house.

She accused the plaintiff of trying to blackmail her, because the latter thought she would not go on the witness stand for 25 pounds. She had already paid 25 pounds, but had not paid the remainder because she suspected one of the men present at Miss Clinton's house of stealing the money.

## PRICE OF BEEF WILL BE DOLLAR A POUND WITHIN A FEW YEARS

BE DOLLAR A POUND WITHIN A FEW YEARS

Swift Canadian Company Manager Makes Startling Prediction in Winnipeg

Winnipeg, March 13.—Addressing the Winnipeg Advertising Club today, W. R. Ingram, of the Swift Canadian Packing Company, said that the price of beef in Western Canada would be a dollar a pound in a few years if conditions were not changed.

Mr. Ingram defended his position against the charge of responsibility for the high cost of living. Western Canada stood at the top of the list as a meat-eating country, and against the cost of the fact that Western Canada daily faced an increasing population without an increasing supply of live stock.

This prediction was equally true of the United States.

Mr. Ingram condemned the indiscriminate slaughter of calves. A half million had been killed during the past year, averaging almost weight of sixty pounds. If these calves had been allowed to live 18 months, or two years, and had been fed they would have yielded at least six hundred pounds of beef, a sufficient quantity to have fed every man, woman and child in Winnipeg for six years.

# MONARCHS ARE DEFEATED BY TORONTO TEAM

Toronto B. and A.A. Won First of Exhibition Series by 5 to 5 Score

By Bulletin Leased Wire  
WINNIPEG, March 15.—Weakened through the loss of the services of Dr. Irvine, the star cover point, and Rick Marples, the brilliant wing player who was worn out through travelling on heavy ice during the past three days, the Monarchs were beaten by the Toronto B. and A.A. team here Saturday night by the score of 5 to 5 in the first of the exhibition games. The smallest crowd of the season, turnout, one but were treated to the best exhibition of hockey of the week. With Dick Irvin back in the lineup, the Monarchs showed a wonderful improvement over the Allan cup team and despite the wet ice the play was fast from start to finish. The Toronto came in for a lot of abuse from the spectators for their underhand tactics in stopping players by such methods as catching an opponent's sweater, hooking or tripping when away from the goal. The Toronto put up a fine exhibition and deserved their victory but not by three goals. Stuart in goal for the Monarchs had another night of several easy shots fooled him. Dick Irvin was the star of the game, scoring four of the five goals and the visitors simply could not stop him as he came and again he showed his wonderful whole bunch for a score. He took a lot of abuse, Jefferson and Cook hooking or checking him in an attempt to stop the tricky center player. Cook, Brown and Jeff were the stars of the visitors, they scored several pretty goals.

The lineup:

Toronto	Goal	Monarchs
Smith	Point	Stuart
Goch	Point	A. Irvin
Jefferson	Cover	Cover
Stephenson	Laughter	Laughter
G. Meeking	Maxwell	Maxwell
H. Meeking	Left	D. Irvin
Brown	Right	Borland

# Quebec Doubles Score Over Wanderers at New York

Score Was 16 to 8—Officials Lost Control of Play and Game Was Very Rough

By Bulletin Leased Wire  
NEW YORK, March 14.—A carnival of rough, bruising skating and a shower of goals marked the opening game tonight of the series at St. Nicholas rink between the Canadian professional team, the Quebec team running over the Wanderers of Montreal roughened and winning by the overwhelming score of 16 to 8.

There was no restraint whatever on the players and although the officials ruled the offenders off the ice continually a substitute was allowed under the rules so that each team always had six men on the ice. The roughness was never checked but more than once the players smashed each other with their sticks.

**Was Fast Exhibition**  
When the teams were not roughing it the game was a fine exhibition of fast, clever hockey. The speedy skating of the men and their skillful stick work was a revelation to local fans. Such swiftness is not to be seen in the average hockey and local players do not make the knack of following the puck. The Quebec players were faster and played much better than the Wanderers. Crawford and Malone, the wings, and Joe Hall, the cover point, led the attack on the Wanderers' goal.

For the Wanderers, Art Ross and the Cleburns boys were made fast runners down the rink but their long shooting for the Quebec goal was thwarted by the goalie, Moran, the Quebecer.

He turned back scores of shots which whined at him at the rink. In the first period of the game was fast for the best and after Quebec had taken a lead of 3 to 1 the Wanderers shut-

## England's Famous Cricket Team May Visit Edmonton

Interesting Announcement Regarding M.C.C. Was Made at the Annual Dinner of the Edmonton Cricket League Saturday Night

During the course of the annual cricket league dinner at the Hudsonian on Saturday night a very interesting announcement was made by President C. Y. Weaver. In referring to the visit of the Australians last season the president stated the Corn Stalks were anxious to repeat the trip this year but he thought the M.C.C. club from England anticipated a Canadian tour and in that event would include them in their itinerary. This statement was received with great enthusiasm by the large gathering of cricketers assembled to do justice to the tasty meal and to honor the Edmonton cricket club, city champions for last season.

Acting as chairman, Mr. Weaver gave an interesting résumé of the past season, thanked the press for the support and the fans for the enthusiasm and congratulated the champions. Mr. Weaver said that at this time the rate of interest in the Edmonton Cricket League would soon reach ten fold when it would in all probability be made to divide the league into two sections with a playoff at the end of the season for the Press cup. The president ended with an eulogy on the able assistance accorded him by the secretary, Mr. Gamble, and the league executive who were able to bring about a piece of machinery.

The Press cup was presented to the club by the Edmonton cricket club by A. B. Watt, who in an able address stated that the club was anxious to see the team to the time when Canadian cricket teams would be of such strength that they would be able to visit England and meet the Motherland. Australia and South Africa on an equal footing. Mr. Watt gave a fitting reply to that which he hoped, when the time came for the Edmonton cricket club to hand over the cup they would do so with as good grace as the usual club which has been defeated. The president announced that the annual meeting of the Edmonton Cricket League would be held in the afternoon of the 19th Alberta Democrats on the evening of March 11. It was hoped then to present the two boys donated by the A. Martin Co. to the

leading batsman and best bowler during the past season. Mr. Bertram of the Edmonton C.C. headed the batting averages, while Messrs. Van Velsan (Edmonton) and Murdoch (North Edmonton) are practically tied for the bowling honors and the executive will have to delve more deeply into the figures to determine which bowler to receive the prize.

Others who made impromptu speeches were Messrs. G. H. R. Palmer, Richardson, Lang and Mountfield. Music was supplied by an orchestra, while vocal selections were rendered by Messrs. Clarke and Wilson.

From the enthusiasm manifested during the evening it was quite easily seen that the Edmonton cricket has won for itself a permanent place in the sport world of this city.

# MISS HAVENSCOTT DEFEATED

By Bulletin Leased Wire  
PINKNEY, N.C., March 14.—Miss Gladys Havenscott of Brantford, holder of the American women's golf title, defeated Mrs. H. H. Harlow, former eastern champion, in the playoff of the recent U.S. women's golf tournament, which was played at the club house of the University of North Carolina. Miss Havenscott won by a handicap of five strokes Mrs. Harlow won on the seventeenth green.

# ENGLISH SOCCER TEAMS WILL ARRIVE IN JULY

By Bulletin Leased Wire  
VANCOUVER, March 15.—Con Jones today caused F. O. B. Hawer of the English soccer team to promise him to defer the visit of the all star British team until July. It was originally intended to open the tour in Montreal on May 24 but Mr. Jones has been unable to get the team here until a later date. He has arranged fourteen matches in Canada for the tour.

**LEADER PATRICK STARED**  
Time and again Patrick and Genge after breaking up dangerous looking rallies by the local forwards, were sweeping the crowd by his exhibitions of speed while Genge's corner rushes on the net also caught the fancy of the enthusiastic fans. Of the forwards Poulin was probably the most effective man on the ice and he was in front of the nets gave Holmes many anxious moments.

# VENICE A.C. HOLDS BOUTS TOMORROW EVE

Every Boxer Taking Part in Show is Able to Provide an Amateur Cup

The boxing bouts, which will bring together the champions representing the Venice Athletic Club, Edmonton, and the champions of the A.A.A.C. will take place at the Empire Auditorium on Tuesday night. There will be four representatives from each of whom hold the amateur championship of their classes on the Pacific coast. St. John arrived on Saturday night and will fight his first workout. He is in the 115-lb. weight class and is a great cut with Cole of this city.

All of the boys consented to show amateur cards if it was intention of trying to secure a sanction from the A.A.A.C. for the A.A.C. of C. Seals are on sale at the Yale Hotel and the Venice Club, and the crowd should be the public appreciation of the endeavor of Kid Soule to put on a game in this city on a permanent basis.

# REGINA TEAM PLAYS GRAND MERE TONIGHT

Eastern Challengers Will Play Two Games—Question of Mastel's Eligibility is Raised

By Bulletin Leased Wire  
REGINA, March 15.—The Allan cup games with Grand Mere will be played on Monday and Wednesday. It is unfortunate that the big winter fair building is no longer available for the games and the accommodation of the Auditorium is limited. The champions returned today in good condition and ready for a hard struggle in defense of their title—the cup is not quite here yet.

**Talk of the Ineligibility of Mastel**  
is ridiculous. He has been with the Victoria all season and has been lent to serve as spare until the last two or three days. Mastel is an employee of the Regina Leader and played with the Victoria team. He is the early part of the season. That the league is of intermediate rank and the Victoria team is a strong team played in it and that any man who has played in it is disqualified for the city league.

# Home Team Took First Game of Series—Scored Three Goals in Last Few Minutes

By Bulletin Leased Wire  
TORONTO, March 14.—Five to two Toronto took the first game of the Victoria team for their work in the opening game of the world's series. With a lot more of the luck the score might easily have been 10 to 2. The visitors played the first and second periods badly for the N.H.A. champions and but for the error made of Holmes, who gave one of the best exhibitions of goal keeping in the history of the game, the ice westerners would have piled up a substantial lead in the three periods.

**It Was Some Crowd**  
It was a splendid crowd of over six thousand that packed the arena for the game. The visitors were originally intended to open the tour in Montreal on May 24 but Mr. Jones has been unable to get the team here until a later date. He has arranged fourteen matches in Canada for the tour.

**LEADER PATRICK STARED**

Federals Will Form Minor Outlaw Leagues—More Players Jump Ranks of Organized Baseball—Results of Exhibition Games

By Bulletin Leased Wire  
CLEVELAND, March 14.—Short stop Ray Chapman of the Cleveland Americans will be out of the game for months. Dr. H. M. Castle, club physician said tonight, Chapman came here today from the training camp at Akron, Ga., and an x-ray examination of his injured leg was made. The photo showed that both the tibia and fibula bones were broken just above the ankle. It will be five weeks before the injured player walks and two months before he can get around easily.

# Minor Outlaw Leagues

CHICAGO, March 14.—Baseball players who deserted the ranks of organized ball to join the Federals will be taken care of even if they fail to win terms with the Federal league team. This was announced today by the Chicago Federals.

# ATHLETICS THE RING BOWLING

# GRAND MERE TEAM STRONG AGGREGATION

Have Won 14 Games This Year—Defeated Senior O.H.A. Champions by 6-2

By Bulletin Leased Wire  
WINNIPEG, March 15.—Travelling on the special car "Grand Mere" over the C.P.R. the Grand Mere hockey team passed through Winnipeg tonight on their way to Regina to play off for the Allan cup, emblematic of the championship of the world. The boys from the junior town are a husky looking lot and appear to be in place this year in the bottom third—they started on the way West on March 13 with a party of thirteen.

# Have Good Team

"We have come out West to win and make a name for ourselves," said Captain Ritchie. "We recognize what they have a strong team in Regina but we feel that we can go one better. We have played 14 games this season and have never lost a match and the most goals that have been scored against us in any of our games has been two. While the boys like hard ice they are not seriously handicapped on a soft, slushy surface so that the ice conditions in Regina will not give us any trouble."

The Grand Mere team in its exhibition in Toronto at the beginning of the season defeated the Toronto B. and A.A. and played in Winnipeg by the score of 6 to 2. On paper therefore they are a pretty stiff looking bunch of athletes and should give a pretty good account of themselves in the wheat city.

# Overlook Protest

When asked about the protest which the Monarchs have registered against Regina, Capt. Ritchie was non-committal. It was the first he had heard of it, he stated, and Grand Mere would take no notice of it. He was of the opinion that the protest was rather heated and in the meantime whether or not it was sustained Grand Mere would ignore it. The line-up will be: Ritchie, Stevenson, Ritchie, Kitch, Pugh, McLaughlin.

Sparks, Richardson, Gammell and Hearn have been named as substitutes. Manager Hearn and Coach Mike Hubbard accompanied the team.

# CHICAGO BOWLERS LEAD

By Bulletin Leased Wire  
BUFFALO, March 13.—Chicago bowlers again proved preminent in the American bowling congress tournament here today, furnishing two new high scores in the individual event.

H. H. Hines rolled high score, 442, taking down his last score 457 of Chicago, took second place with a score of 425.

# NOTICE FOR SIRM O'NEILL

The Sporting News contains the following from Jeffries, O.K.: "Mrs. William Snyder asks for information concerning her son, H. D. O'Neill, a pitcher formerly with the Junction City and last recorded as with Beacons when that city was in the Western Circuit."

# Toronto Pros. Beat Victoria In World's Hockey Series

Home Team Took First Game of Series—Scored Three Goals in Last Few Minutes

By Bulletin Leased Wire  
TORONTO, March 14.—Five to two Toronto took the first game of the Victoria team for their work in the opening game of the world's series. With a lot more of the luck the score might easily have been 10 to 2. The visitors played the first and second periods badly for the N.H.A. champions and but for the error made of Holmes, who gave one of the best exhibitions of goal keeping in the history of the game, the ice westerners would have piled up a substantial lead in the three periods.

**It Was Some Crowd**  
It was a splendid crowd of over six thousand that packed the arena for the game. The visitors were originally intended to open the tour in Montreal on May 24 but Mr. Jones has been unable to get the team here until a later date. He has arranged fourteen matches in Canada for the tour.

**LEADER PATRICK STARED**  
Time and again Patrick and Genge after breaking up dangerous looking rallies by the local forwards, were sweeping the crowd by his exhibitions of speed while Genge's corner rushes on the net also caught the fancy of the enthusiastic fans. Of the forwards Poulin was probably the most effective man on the ice and he was in front of the nets gave Holmes many anxious moments.
